

Merchants Treat Residents To Chippewa Park Outing

July, 1969

During Strongsville Businessmen's Day Picnic last week at Chippewa Lake Park a wide variety of activities were organized for both children and adults. The younger generation participated in a wheelbarrow race, above right; a balloon-inflating contest, above left; and a peanut scramble, below. In charge of arranging the picnic games was Paul Ynting, at left, a member of the City Club. Practicing their putting at left are City Club members Mike Kallinich; Nelson Slansky (center), club president, and William Tomson. City Club coordinated the picnic which was sponsored by Strongsville merchants.
