The Rib Burn Off is back!

by Gary Mundson

It's rib time everybody. That's right, the 25th Annual Strongsville City Club Rib Burn Off is coming to the Strongsville Commons, Thursday through Saturday, June 23, 24 and 25.

Every year we strive to bring you the best food and entertainment, and this year is no exception. We've got nine fantastic ribbers and three outstanding groups to entertain you as you make your way through the commons feasting on a wide range of wonderful summertime food.

The Rib Burn Off is one of the City Club's major fundraising events. The other is our fabulous Breakfast on the Covered Bridge, which will be the third

Sunday in September this year.

Both events help us continue to support the Special Olympics and numerous other projects throughout the city.

The City Club was responsible for building the clock tower at our beautiful commons. We were also major contributors for Pat Catan's football stadium at the high school, the fence surrounding the city cemetery, and the backyard preserve behind the recreation center, to name just a few.

You will find a lot more about what we have done for so many since 1968, including a link to the Strongsville Special Olympics, which helps special Olympians from surrounding areas as well, when you visit our website.

We look forward to seeing you at this year's Rib Burn Off. We think you'll find it's the best in the country.

We need your help to continue to support the numerous projects we do all year long. The City Club is looking for sponsors for this year's event. We have a wide range of options available.
