STRONGSVILLE COUNCIL MEETING

JUNE 15, 2009

STRONGSVILLE COMMUNICATIONS CENTER

REPORTS AND COMMUNICATIONS FROM THE MAYOR, DIRECTORS OF DEPARTMENTS AND OTHER OFFICERS:

Mayor Perciak – Thank you, Mr. President, just a few announcements as to activities that are going to be going on here in town.

First of all, the Rib Burn-Off; as most of you can see, we are beginning to prepare for that on our Commons and that will be held June 25th, June 26th and June 27th. On June 25th we will start at four o'clock in the afternoon and wind up about eleven in the evening. Same thing on the 26th. And then on the 27th, we are going to start at noon, which is Saturday, and wind the night up about 11 p.m. A lot of changes this year; come and visit, I think you'll enjoy all the inflatables for the children; it's a true family evening. Anyone wishing tickets can either contact City Hall or any member of the Strongsville City Club.

Also, on July 4th the City of Strongsville once again will be sponsoring our annual fireworks at Foltz Parkway, providing it doesn't rain. And I just want to thank the fifty or so local businessmen and women who have agreed to sponsor this event. Without their financial assistance, we could not provide the Fourth of July fireworks for all our residents and the residents in the nearby communities. So, when you see some of our local businessmen in town and some of our special residents that sent us a check, we thank them for contributing so that all of us again can enjoy the fireworks on the Fourth of July. I especially would like to thank the Strongsville Chamber of Commerce and the Strongsville City Club for being our principal sponsor of that event.

That is the end of my report, Mr. President.
